Thanks for getting back to me so soon regarding the Cardenas contract.

As you know, Cardenas had to revise the budget, since the original budget was based on 165 nights and not 203 nights. However, the rates have not changed, nor has the management fee.

I should be receiving the budget from Cardenas within the next hour. As soon as I receive it and review, I will bring it right up for Finance to review.

Thanks.
